
S&P Global Market Intelligence

Thank you for visiting the S&P Global Market Intelligence, LLC (“**S&P**”) hybrid Data Protection Appendix (“**DPA**”) document suite. S&P’s 2024 suite of privacy documents center around an enhanced appendix model which regulates S&P’s activities when it processes data either as a controller or as a processor (or in some cases both).

Please click on the below links to help you navigate the S&P hybrid DPA and its attachments:

1. [S&P Hybrid DPA](#)
 2. [Standard Contractual Clauses & UK Addendum](#) (for both EU Controller-to-Controller and Controller-to-Processor SCCs)
 3. [S&P Product List](#) (indicating how SPGMI processes personal data in relation to each product)
 4. [S&P Subprocessor List](#) (relevant where SPGMI acts as Processor for certain personal data)
