

43 multi-asset class research providers from 25 countries signed to our Aftermarket Research collection this year.

To help show our commitment to providing you with the essential insights you need to power your investment decisions, we started this year by adding BNP Paribas (Asia), a leading financial institution that produces research on 370 companies across 13 countries including China, India, Japan, Hong Kong, Korea, Singapore, and Taiwan.

More than 71,000 reports from BNP Paribas are now available in our Aftermarket Research collection, which provides access to 25 million+ reports from 1,700+ investment banks and independent research firms around the globe.

Other noteworthy 2018 additions

Argus Research, one of the leading independent research firms in the Americas, is ranked 1st among Equity Research providers by Investars (based on overall investment performance of covered companies) for the past 5-year trailing period.

Headquartered in Athens, Piraeus Bank S.A. produces high quality economic and sectoral research for Greece and South-East Europe.

Ho Chi Minh City Securities was ranked 3rd in Vietnam in the “Best Local Brokerage” category in The Asiamoney Brokers Poll 2017. With 15 analysts covering nearly 110 companies, Ho Chi Minh City Securities produces high quality reports in both English and Vietnamese language

With approx. 150 analysts covering nearly 700 China listed companies in addition to 50 U.S. & Hong Kong stocks, Tianfeng Securities produces company, industry, and strategy research in simplified Chinese language. In 2017, Tianfeng Securities was ranked 5th in the “Best Domestic Research Team” category by New Fortune.
