

During the course of 2018, we added **65 multi-asset class research providers from 26 countries** to our market leading Aftermarket Research collection, spanning more than 1,800 stocks across all sectors. These new high-quality providers join more than 1,700 contributors, who provide in-depth coverage of sectors and companies globally.

Noteworthy 2018 additions include:

BNP Paribas (Asia), a leading financial institution that produces research on 370 companies across 13 countries including China, India, Japan, and Singapore.

Argus Research, a leading independent research firm based in the U.S. ranked 1st among Equity Research providers by Investars (based on overall investment performance of covered companies).

Piraeus Bank S.A., which produces high quality economic and sectoral research for Greece and Southeast Europe.

Ho Chi Minh City Securities, which was ranked 3rd in Vietnam in the “Best local brokerage” category in the Asiamoney Brokers Poll 2017. With 15 analysts covering around 110 companies, Ho Chi Minh City Securities produces high quality reports in both English and Vietnamese languages.

First Metro Securities, named Best Broker in the Philippines in 2018 by Finance Asia, cover financials, real estate, food & beverages, travel & leisure, utilities, technology and industrials.

Quilty Analytics is a boutique focused on the Satellite & Space industry.
