

Intelligence is only as good as the data behind it.

Propel your sales, client services and marketing strategies with S&P Global Market Intelligence for Salesforce. You will gain business intelligence to quickly and easily identify potential opportunities, facilitate outreach, and better understand your customers – directly in your instance of Salesforce.

Cleanse Your Data:

Whether you are merging CRMs or just trying to clean your data, take advantage of S&P Global Market Intelligence for Salesforce to establish a single source of truth. You can create lists and conduct a mass import of new records, or our expert teams will help match your existing account records to our Market Intelligence database.

Start a **seven-day free trial** today by visiting the **Salesforce AppExchange**.
