

You can't make the right pitch without the right data.

S&P Global Market Intelligence offers you relevant, insightful, and timely news, research, and data tailored to the companies and sectors you cover. Our firm profiles, market-moving news, broker research and estimates, screening, and innovative analytical tools give bankers the essential toolkit to identify new business development opportunities and inform corporate strategy and structure, capital-raising options, and M&A.

Differentiated Data and Essential Insights

We deliver the data and insights you need to tailor your advisory function and grow your clients' business effectively, in a timely and cost-effective manner.

Stay on top of market economics and activity

- Broad global, sector coverage including breaking SNL news, fundamental and asset-level data, and expert analysis that let you dig deep into sectors including banking, insurance, energy, media, metals and real estate
- Proprietary research and extensive market data, gathered from millions of sources and delivered instantly
- Extensive public and private company information with alerts on company leadership changes and restructures, recent and historic transactions, company investors, and holders

Generate ideas for new business opportunities

- Comprehensive enterprise-wide aftermarket and real-time research solutions using the expert insights of leading research contributors from over 1,700 global providers
- Incomparable Ratings Research that helps you easily monitor the business impact of changing market conditions, as well as stay current with top stories of the day and the latest sector highlights
- Comprehensive, aggregated intelligence at sector, sub-sector, industry and portfolio levels across the globe

Robust Analytics to Drive Your Workflow

Find and vet your next deal with S&P Global Market Intelligence's global reach, extensive market and financial data, proprietary research, and powerful analytical tools.

Simplify your workflow with powerful screening, targeting, and workflow tools

- Identify comparables, potential buyers, investments, acquisitions, co-investors, lenders, and strategic partners
- Create and update financial models, pitchbooks, and PIBs efficiently with our linking tools in Microsoft Excel, Word, and PowerPoint
- Review underlying source documents and calculations with our audit functionality, saving you time and enabling you to make confident, fully-vetted recommendations for your clients

Access your data and analytics from your desktop or on-the-go

Easily turn information into actionable insights with our integrated platforms that deliver data the way you want it, whenever you need it: from desktop access to mobile apps to on-demand data feeds.

Service You Can Count On

Nothing satisfies us more than helping you complete a project or meet a deadline. Turn to our 24x7x365 global support team anytime, from anywhere. We're just a phone call or email away.
