

# The S&P Capital IQ App for iPad

## Hold the power of the S&P Capital IQ universe in your hands.

Stay connected to the markets and companies you follow with the enhanced S&P Capital IQ App for iPad. Keep ahead of the competition with on-the-go access to essential data and analytics.

## Seamless access to data and analytics

Maintain access to relevant data on the companies and sectors you cover. Documents and reports added via the S&P Capital IQ platform sync automatically to the Documents and Reports tab on the S&P Capital IQ App for iPad, and are made available for offline viewing.

## Enhanced dashboard with improved navigation

Get a macro view of your coverage, customized to mirror your S&P Capital IQ platform watch list or a specific industry/geography of your choice. Access essential data:

- Top market developments, including research and transcripts
- Sector-focused news
- Intraday performance; top gainers and losers
- Global market performance

## Comprehensive toolkit for on-the-go insight

- **Aftermarket Research:** Gather valuable and unique information on your peers or industry and monitor global industry news and significant developments with research composed by leading analysts at more than 1700 firms.
- **Audio Files & Transcripts:** Download conference call and earnings information, with access even when offline.
- **Ownership:** View current and historical Ownership Summary, Top Holders, and Activists and Insiders.
- **Quick Comps & Charting:** Compare a company to its comps (including custom comps configured on the S&P Capital IQ platform) based on 16 financial data metrics, 8 trading multiples, and 12 operating statistics.

## About S&P Global Market Intelligence

S&P Global Market Intelligence integrates financial and industry data, research, and news into tools that help track performance, generate alpha, identify investment ideas, understand competitive and industry dynamics, perform valuation, and assess risk.
