

S&P Global

Market Intelligence

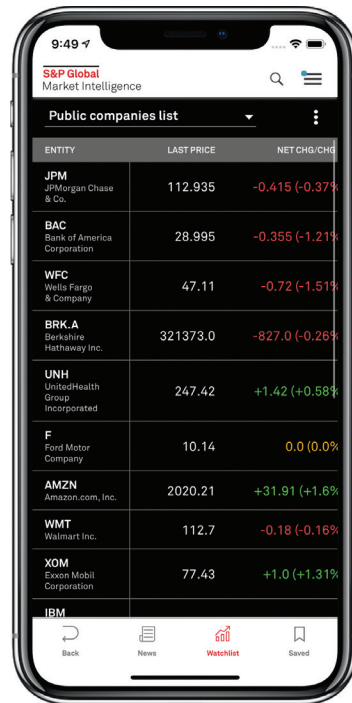

Our platform goes where you go.

We know you need data around the clock, and you're not always at your desktop. With the S&P Global Market Intelligence mobile app, your iPhone, iPad, or Android device becomes your extra screen for essential intelligence. Whenever you need it, wherever you are.

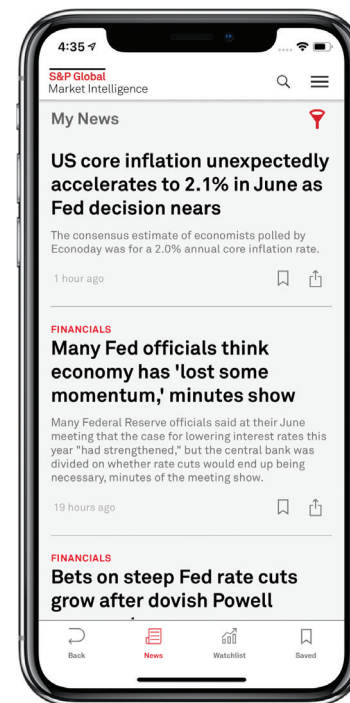

Gain at-a-glance insights.

Search or select a company from your Watchlist to view a snapshot of its Corporate Profile and discover new developments.

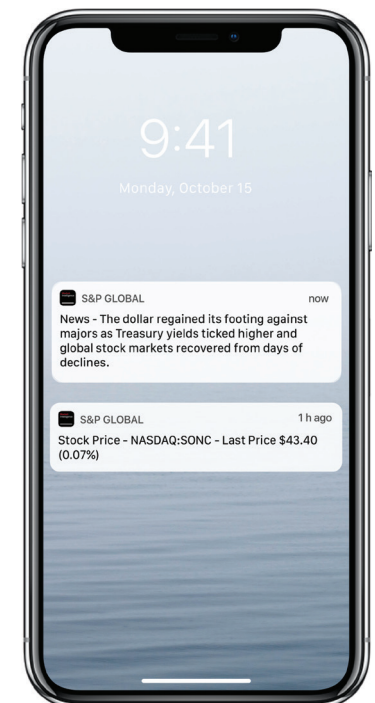

Monitor the markets.

Track and monitor companies on your Watchlists.

Scan essential information.

Curate your news feed to your preferred industry, geography, or saved list.

Get alerts when you're away.

Customize mobile push alerts for news and research, key developments, and more.

About S&P Global Market Intelligence

S&P Global Market Intelligence integrates financial and industry data, research, and news into tools that help track performance, generate alpha, identify investment ideas, understand competitive and industry dynamics, perform valuation, and assess risk.
