

The Ultra High Net Worth Database

35,000 Global Contacts from 4,600 Single and Multi-Family Offices and 1,700+ Family Office Service Providers Worldwide.

With MMD, you'll have the key details to forge lucrative relationships

Using the MMD platform you can access:

- Family office information- single and multi-family offices as well as private banks with family offices
- Family office service providers, with subset categories of private banks without family offices and other wealth managers
- 42,000 management contacts selectable through 33 job classifications including Head of Family Office, Chief Investment Officer, Estate Planning, Client Relationship Officer, Tax Planning, and others
- Over 25,000 contacts with biographies
- An expanded services list that includes business succession planning, risk management, accounting, legal services, software/technology, and others
- Contacts at branch office locations
- Historical data for family office assets under management and client figures
- 15,000+ contacts with direct email addresses
- Total assets under management (when disclosed)
- Areas of current and future investment interest
- Family office external relationships including investment managers, consultants, custodians, software/technology providers, and other service providers
- Business descriptions detailing company origins, investment preferences and strategies, and asset range

Benefits of Database

For 50 years Money Market Directories (MMD) has been a trusted authority on the pension fund industry helping clients to grow their institutional assets under management. Our unique MMD WebAccess platform, enables clients to explore a global database of family offices representing an extensive portfolio of investment capital.

- Access to the most comprehensive database of its kind—family offices are institutions that impact the direction of capital markets on a daily basis
- Perform custom searches by organization type, firm name, country, or contact name, and seamlessly export your selections to Excel
- Identify key investment decision makers and advisors to family offices from our comprehensive industry research

MMD ensures our clients stay current on executive moves in the fast moving family office industry through our editorial team's timely updates on executive job changes.
