

# S&P Capital IQ Pro

A single platform for essential intelligence

An unrivaled breadth and depth of data. Tech-forward productivity tools. News and research that tell the story behind the data. All in one platform that powers your edge.

Essential information you need, when you need it. That's the power of S&P Capital IQ Pro.

**S&P Global**  
Market Intelligence

**S&P Capital IQ** **PRO**

## Confident decisions begin with access to the right information.

### Data that's in a class of its own

To make confident decisions, you must trust your source. The S&P Capital IQ Pro platform is built on the highest-quality corporate, market, and financial information available. And to prove our relentless commitment to quality, we offer a \$50 reward to clients who find a verified mistake or omission in our data.

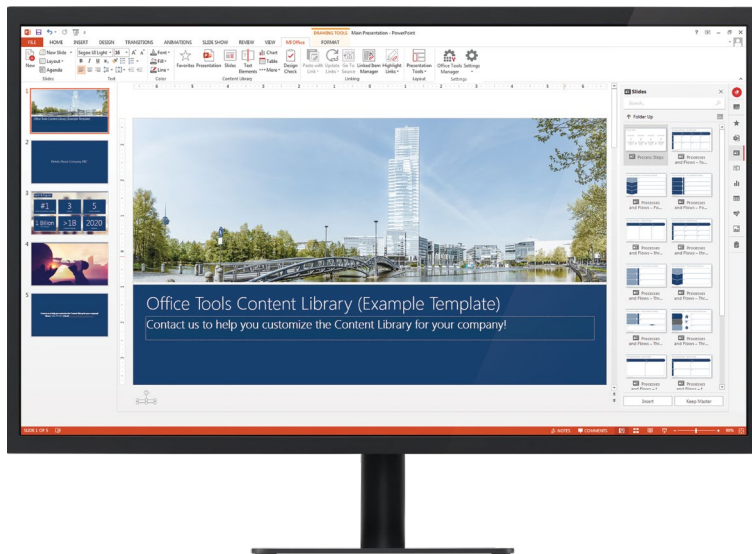

### Unrivalled market insights

Access deeper, more meaningful data on the global financial markets, companies, and industries that impact your business. The S&P Capital IQ Pro platform provides proprietary research and in-depth analysis from thought leaders and industry experts, and condenses more than 135 billion raw data points a year into actionable intelligence.

### Service you can rely on

The markets never rest, and neither do we. Our 24/7/365 global support team provides around-the-clock assistance on every aspect of the S&P Capital IQ Pro platform. Our dedicated experts are only a phone call, email, or chat away to answer any questions.

## Connect our data with Microsoft Office

### Link Data and Formulas in Excel

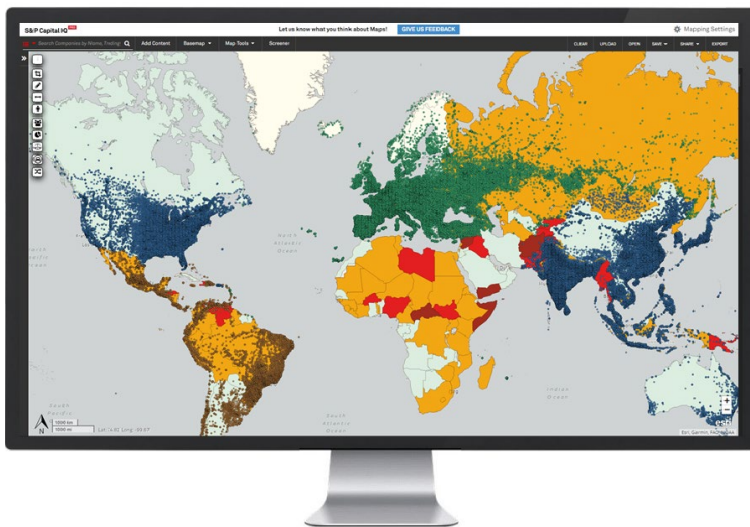

Access S&P Global data and formulas in Excel and refresh with just one click.

### Integrate Data Across Office

Seamlessly integrate data from Excel to PowerPoint or Word with fewer errors.

### Model with the Experts

Use pre-built templates or partner with our support analysts to build custom models.

## Navigate our data with Mapping

### Visualization Tools

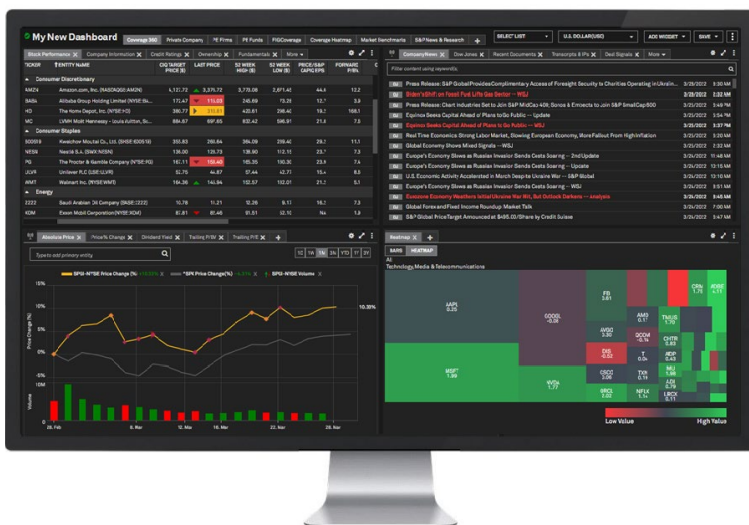

Built on sector-specific data, the Maps tool builds a bird's-eye view of the market.

### M&A Analysis

Identify unseen opportunities and see the pro-forma footprint of potential mergers.

### Presentation-ready Graphics

Elevate your presentation with crisp visuals of asset-level data, market stats, and more.

## Monitor companies and markets with Dashboards

### Customization Options

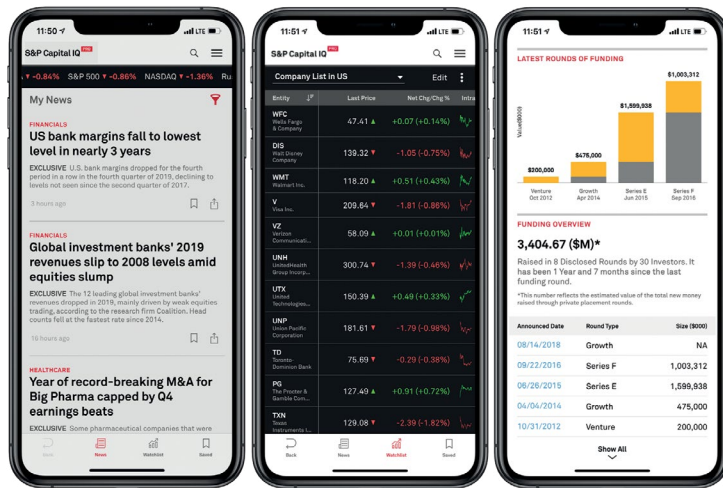

Choose from a multitude of widgets and templates to create your custom dashboard.

### Data Streaming

Stream real time data updates alongside news and Market Intelligence fundamentals.

### Click Through Options

Click on tickers for more company data, news to read the full articles, and more.

## Access our data anytime, anywhere with the Mobile App

### Create Watchlists

Monitor the markets by accessing up to three of your custom lists to view their updates.
