

# RatingsXpress on Xpressfeed™

## Streamlined delivery of credit ratings from S&P Global Ratings.

You need the right data to make the right decisions, and you need to get it quickly. Spend more time conducting analysis and less on retrieving and managing credit ratings data with RatingsXpress on our powerful data feed management solution – Xpressfeed.

### Deep and historical\* industry data from a single source

Enhance your analysis by tapping into one of the industry's largest databases of current and historical credit ratings with entity and security-level data in one schema. S&P Global Ratings credit ratings cover nearly one million securities:

- **9,000** Global Issuers - including Corporates, Financial Institutions, Utility and Insurance Companies/**80,000** securities
- **550** Sovereign, International Public Finance and Government entities/**13,000** securities
- **700** U.S. Public Finance entities/**690,000** securities
- **10,000** Structured Finance transactions – including asset-backed, commercial mortgage-backed and residential mortgage-backed securities and collateralized debt obligations/**45,000** securities

### Actionable insights

With access to our enriched databases that provide a direct ratings feed straight from the source, you'll have the ability to:

- **Enhance** databases with a direct ratings feed
- **Develop** back testing models
- **Conduct** risk management benchmarks
- **Test** investment policy guidelines
- **Perform** analytical comparability
- **Identify** relative value
- **Implement** capital adequacy scenarios on user-defined criteria
- **Assess** counterparty risk

### Reliable and flexible delivery

Our solution provides you with the ability to choose how frequently you want your data updated based on how you conduct your business.

### Subscription options to fit your needs

We provide a variety of subscription and delivery options to help you manage your business in the most cost-effective and efficient manner.
