The Market Intelligence Platform

A single platform for essential intelligence

Data that differentiates your analysis. Workflow tools that uncover new insights. News and research that tell the story behind the data. All in one platform that powers your edge.

Essential information you need, when you need it. That’s the power of Market Intelligence.
Confident decisions begin with access to the right information.

**Numbers you can trust**

To make confident decisions, you must trust your source. The Market Intelligence platform is built on the highest-quality corporate, market, and financial information available. And to prove our relentless commitment to quality, we offer a $50 reward to clients who find a verified mistake or omission in our data.

**Unrivaled market insights**

Access deeper, more meaningful data on the global financial markets, companies, and industries that impact your business. The Market Intelligence platform provides proprietary research and in-depth analysis from thought leaders and industry experts, and condenses more than 135 billion raw data points a year into actionable intelligence.

**Service you can rely on**

The markets never rest, and neither do we. Our 24/7/365 global support team provides around-the-clock assistance on every aspect of the Market Intelligence platform. Our dedicated experts are only a phone call, email, or chat away to answer any questions.
