

The Leveraged Loan Data You Need. Delivered with Speed, Simplicity and Security.

Simplify your workflow with Leveraged Commentary & Data (LCD) index and deals data delivered quickly and securely through feeds.

LCD offers data feeds that deliver key index and deals data via a secure file transfer protocol (SFTP) to help ensure you receive what you need quickly and securely:

- Access the S&P/LSTA Leveraged Loan Index and the S&P European Leveraged Loan Index to help benchmark the U.S. and European leveraged loan markets against your portfolio
- Get comprehensive transactions data to help limit the number of steps in performing complex analysis and more easily screen for primary market deal transactions data
- Integrate LCD data from feeds directly into your portfolio analytics tools for seamless workflow management. Your bespoke data packages are delivered right to you on a recurring basis so you can spend less time gathering data and more time identifying opportunities
