

Platts LNG Alert

A page reference guide for LNG Alert users
February 2021

Platts LNG Alert gives traders, risk managers, analysts and energy executives a comprehensive set of information on the global and regional LNG markets. From up-to-the-minute information on real-time deals, breaking news, and market analysis to the latest global price assessments, Platts LNG Alert provides timely and relevant insight so you stay on top of the markets and make critical business decisions with speed and clarity.

This quick guide is designed to help you discover and navigate through the vast content available to you easily and more efficiently.

It includes:

- Page numbers to assessments and commentary by region for key content
- Contact details of S&P Global Platts global editorial LNG team

This document is updated on a regular basis. Refer to the [symbol directory](#) or refer to the [specification guide](#) to make sure you are using the most recent version.
