A Division of **S&P Global**

July 2021

Australian & New Zealand-Listed Exchange-Traded Products

We provide independently calculated solutions in core, income, tactical, and real asset holdings. Serving a variety of market participants, we may license a methodology or intellectual property to help our clients meet their goals. The information below is designed to help financial advisors make the connection between sought-after market exposures and licensed products that seek to track our indices.

Past performance of an index is not an indication of future results. This document does not constitute an offer of any services. All information provided by S&P Dow Jones Indices is general in nature and not tailored to the needs of any person, entity or group of persons. S&P Dow Jones Indices receives compensation in connection with licensing its indices to third parties. It is not possible to invest directly in an index. Exposure to an asset class represented by an index is available through investable instruments offered by third parties that are based on that index. S&P Dow Jones Indices does not sponsor, endorse, sell, promote or manage any investment fund or other investment vehicle that seeks to provide an investment return based on the performance of any Index. S&P Dow Jones Indices LLC is not an investment advisor, and S&P Dow Jones Indices makes no representation regarding the advisability of investing in any such investment fund or other investment vehicle. This represents a complete list of all exchange traded products linked to the indices noted above as of September 30, 2014. While we have tried to include all exchange traded products, we do not guarantee the completeness of such list. SPDJI does not sponsor, promote or sell any product linked to our indices. For situations where only one product is listed for an index, based on our analysis this was the only product currently linked to such index. SPDJI does not recommend or provide any advice regarding such product.
