Ticker	Company Name	Action
PROMIGAS	Promigas SA	ADD
GRUBOLIVAR	GRUPO BOLIVAR S.A.	DROP

Due to the shrinking number of stocks in the universe, the index committee expanded the index universe in accordance with the index methodology to all stocks trading on the Colombia Stock Exchange. The index committee intends to review the eligibility and selection criteria, which may result in a consultation. As a reminder, currently if the number of eligible stocks is less than 14, the index universe is expanded so that all stocks trading on the Colombia Stock Exchange are included in the review. In such a scenario, the next most liquid non-component measured by six-month ADVT with a float-adjusted market capitalization of at least COP \$600 million in the expanded universe is added until the target count of 14 is reached.
