S&P Dow Jones Indices Completes Acquisition of ARC Research

NEW YORK, Oct. 1, 2025 -- S&P Dow Jones Indices (“S&P DJI”), a division of S&P Global (NYSE: SPGI) and the world’s leading index provider, today announced that it has completed the acquisition of ARC Research, a subsidiary of ARC Group, after receiving regulatory approvals.

ARC Research is the leading independent provider of investment performance data, benchmarking capabilities and insights in the private wealth market. It maintains the world’s largest proprietary dataset of more than 500,000 private client portfolios spanning over two decades. The firm is a trusted partner to more than 190 investment managers and wealth advisers globally, supporting performance benchmarking, analytics, and transparency in the private wealth space. Since 2002, ARC Research has collected and analyzed hundreds of millions of data points from investment managers, transforming them into actionable insights for investors.

The financial terms of this deal were not disclosed. S&P DJI were advised by leading international law firm, Ashurst LLP.

ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500® and the Dow Jones Industrial Average®. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has been innovating and developing indices across the spectrum of asset classes helping to define the way investors measure and trade the markets.

S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies, and governments to make decisions with confidence. For more information, visit <https://www.spglobal.com/spdji/en/>.
