

S&P Dow Jones Indices Announces GICS Structure Changes Index Implementation Date

NEW YORK, FEBRUARY 16, 2018: S&P Dow Jones Indices today announced that the previously announced changes to the Global Industry Classification Standard (GICS) structure will be made in indices to coincide with the implementation of the quarterly rebalance in September. The changes will be effective prior to the market open on Monday, September 24, 2018.

The GICS structure changes were announced in November 2017. The announcement and a preliminary list of impacted high market capitalization companies can be found on our website at www.spdji.com. The full list of securities affected by the changes will be made available on July 2, 2018, with updates to the list provided on August 1, 2018 and September 3, 2018.

ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500[®] and the Dow Jones Industrial Average[®]. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has become home to over 1,000,000 indices across the spectrum of asset classes that have helped define the way investors measure and trade the markets.

S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies and governments to make decisions with confidence. For more information, visit www.spdji.com.
