

IHS Markit Benchmark Administration Limited Consultation on EMIX World Indices Market Classification – Results

FRANKFURT, JANUARY 3, 2023: IHS Markit Benchmark Administration Limited (“IMBA UK”), as the Index Administrator of the EMIX Indices, today announces the results of the annual market classification [consultation](#) covering Hungary and South Korea.

Following an assessment in the absence of consultation feedback received from market participants and considering the recent [consultation](#) on the cessation of EMIX indices, IMBA UK will not change the current status of Hungary and South Korea. Accordingly, **Hungary and South Korea will retain their current Emerging Market classification.**

ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500® and the Dow Jones Industrial Average®. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has been innovating and developing indices across the spectrum of asset classes helping to define the way investors measure and trade the markets.

S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies and governments to make decisions with confidence. For more information, visit www.spglobal.com/spdji.
