

Decommission of the S&P Custom GCC Composite LargeMidCap with Saudi Capped at 55% Index

May 8, 2026: Effective after the close of **Tuesday, August 11, 2026**, S&P Dow Jones Indices will no longer calculate end-of-day of the attached list of **S&P Custom GCC Composite LargeMidCap with Saudi Capped at 55% Indices**. Some end-of-day files will be impacted, and others will no longer be posted to the S&P Dow Jones Indices SFTP(EDX) site as of that date.

This would also include NC, NCS, NS versions of the files, where applicable.

Details about the indices are provided in the link below.
