

# S&P Global 1200 Shariah Select Index Methodology Update

**NEW YORK, AUGUST 6, 2026:** S&P Dow Jones Indices (“S&P DJI”) announces methodology changes to the S&P Global 1200 Shariah Select Index.

To maintain exposure to Chinese-domiciled companies listed on non-Chinese exchanges, S&P DJI is updating the eligibility and selection criteria. The table below summarizes the changes.

| Methodology          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

## ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500® and the Dow Jones Industrial Average®. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has been innovating and developing indices across the spectrum of asset classes helping to define the way investors measure and trade the markets.

S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies and governments to make decisions with confidence. For more information, visit [www.spglobal.com/spdji](http://www.spglobal.com/spdji).
