Index Decommission

Decommission of the S&P Africa 40 Indices

November 10, 2026: Effective after the close of **Friday, February 12, 2027**, S&P Dow Jones Indices will no longer calculate end-of-day and real-time values for the attached list of **S&P Africa 40 Indices**. Some end-of-day files will be impacted, and others will no longer be posted to the S&P Dow Jones Indices SFTP (EDX) site as of that date.

This would also include NC, NCS, and NS versions of the files, where applicable.

Details about the indices are provided in the link below.
