Index Decommission

Decommission of the S&P Global Natural Resources ex-China Indices and S&P Global Infrastructure Ex-China Indices

November 10, 2026: Effective after the close of **Monday, February 8, 2027**, S&P Dow Jones Indices will no longer calculate end-of-day values for the attached list of **S&P Global Natural Resources ex-China Indices and S&P Global Infrastructure Ex-China Indices**. Some end-of-day files will be impacted, and others will no longer be posted to the S&P Dow Jones Indices SFTP (EDX) site as of that date.

This would also include NC, NCS, and NS versions of the files, where applicable.

Details about the indices are provided in the link below.

S&P Global Natural Resources ex-China and S&P Global Infrastructure Ex-China Decommission Details
