INDEX ANNOUNCEMENT

2026 Annual Country Eligibility Review for iBoxx Global Government Indices – Final Results

LONDON, NOVEMBER 20, 2026: S&P Dow Jones Indices ("S&P DJI") announces final results of the 2026 annual country eligibility review for the iBoxx Global Government Indices based on the criteria outlined in the iBoxx Global Government Index Methodology document.

Any resulting index composition changes will become effective in conjunction with the **April 2027** month-end rebalancing, which takes effect prior to the market open on **May 3, 2027**.

Based on the final results, the following country composition changes will be made:

Inclusions:

- **Peru:** Bonds with a proposed minimum amount outstanding of PEN 2 billion to be considered eligible for inclusion

Expected Exclusions:

- **None**

Based on stakeholder feedback received on the Provisional Results, the Index Committee has determined to not include Kazakhastan at this time.

The annual country eligibility review for the iBoxx Global Government Positive Yield and iBoxx Global Government Positive Yield Diversified indices will be conducted subsequently once the required input data becomes available. The results are expected to be announced in **April 2027.**

ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500® and the Dow Jones Industrial Average®. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has been innovating and developing indices across the spectrum of asset classes helping to define the way investors measure and trade the markets.

S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies and governments to make decisions with confidence. For more information, visit *www.spglobal.com/spdji*.
